Term 2 Week 4

Monday 18 th May 2020	
Task	Find an example of a solid, a liquid or a gas in your home! (Chocolate bar, milk, steam from the jug).
Phonics	Activity: 'se' 'ss' Using the words from the phonics list, write out the se and ss words. Write a silly sentence using at least 3 words.
Reading	Please refer to your own child's timetable. If you don't have this please call the school. Log onto Reading Eggs and complete some activities or read a book with someone in your family and discuss.
Writing	Watch the Class Dojo writing video Activity: Throughout this whole week, you will be writing your Humpback whale facts into complete sentences. Remember to use conjunctions to join facts from the same sub headings. Leave a line between each group of sentences and underline your sub headings. This will give you 5 paragraphs, one for each sub heading.
Word Work	Ask a family member to test you on your spelling words and move onto the next 5 words on your high frequency spelling list. Play Tic Tac Toe with a family member – re use your sheet.
Mathematics	Focus: Addition Use some of the addition word problems cards from your numeracy booklet to challenge yourself. Post how you solved the problems on Class Dojo.
