Activity explanation

Literacy

Spelling –Unit 14 is a word family set of activities which has 2 pages to complete. Your Individual list of words are the words we do daily, LSCWC (Look at the word, Say the word, Write the word, check the word) then complete the spelling activity for those words.

Writing- Using the Pobble picture, follow the instructions so you know what I am looking for with your writing.

Reading- You will have a new PM reading card each week, you may read this with me in our group reading, or by yourself. At the bottom are the set of questions that you will need to answer.

Editing Cards- This is practice for you to find the spelling and punctuation mistakes and fix them. You are told how many to find. Rewrite the text to show no mistakes.

Handwriting- your handwriting is using the spelling words from the word family unit you are working on. Write them as many times as you can on the line using a sharp pencil and your most careful work.

Numeracy

Number talk – answer the number question and explain (type up or write down) how you got your answer.

Skip counting – count aloud up to 100 and backwards from 100 by 2s – 2,4,6,8,10,12 By 5s – 5, 10,15, 20, 25... By 10s – 10, 20, 30 ,40 ,50

Daily word problems – Read 3 the word problems and work out the answers.

Study ladder – use your study ladder login to complete at least 2 activities I have assigned you. I can see how many and what you have completed when I log in.
